The year is coming to an end, we have cancelled the Clinical hypertension course in Trondheim twice, but we still have high hopes for the year to come.

**NB! If you want MEMO sent to another e-mail address please let me know.**

You can find the society home page at: [www.hypertensjonsforeningen.no](http://www.hypertensjonsforeningen.no) with information about our meetings and the meetings of the international and European societies as well as the most recent ESC/ESH guidelines for treatment of hypertension, both in English and Norwegian.

### Scientific winter meeting

**will be held in Oslo on February 11-12<sup>th</sup> 2011.** As you have hopefully gathered from my last mail the winter meeting has been moved from the February 4-5<sup>th</sup> to 11-12<sup>th</sup> because the nephrological society had picked the same weekend.

We have an exciting program with two symposia entitled "Atrialfibrillation in hypertension" and "Hypertensive kidney disease". In addition, we have three abstract derived sessions and we hope to have a satellite symposium. Please have a look at the preliminary program below.

The meeting will be held at Ullevål University Hospital in Oslo. We hope that many of you will have the opportunity to attend and to present some of your recent data. It will be a great opportunity for our young scientists to present their work and get to know other hypertension researchers in Norway.

#### Abstract deadline moved to January 15<sup>th</sup> 2011

Please submit your abstracts to Eva Gerdts ([eva.gerds@helse-bergen.no](mailto:eva.gerds@helse-bergen.no)) by January 15<sup>th</sup> 2011.

Please register your planned attendance with the secretary ([michael.hultstrom@mcb.uu.se](mailto:michael.hultstrom@mcb.uu.se)). There will be no conference-hotel, but there are several hotels situated close to the hospital.

### Annual meeting of the Norwegian Hypertension Society February 11<sup>th</sup> 2011, kl. 18:00 (after the first day of the winter meeting.) Ullevål universitetssykehus, Rødt auditorium, Laboratoriebygget

All members of the Norwegian Hypertension Society are invited to the annual meeting of the society for the election of a new board and honorary members. An important point of discussion will be the future form of the scientific meetings.

Items for the agenda must be sent to the secretary ([michael.hultstrom@mcb.uu.se](mailto:michael.hultstrom@mcb.uu.se)) before January 11<sup>th</sup> 2011.

**Clinical hypertension course February 9-10<sup>th</sup> 2012 in Oslo**

We would also like to take this opportunity to announce the next clinical course on hypertension, which will be held in Oslo 2012. The program is currently being assembled and will be presented before the winter meeting 2012.

**Membership fee 2010**

The membership fee is 100 NOK and I would like to encourage those who have not yet paid to do so to the society account: 16075115478.

**Sincerely, your secretary,**

A handwritten signature in black ink, appearing to read 'Michael Hultström', with a stylized, cursive script.

Michael Hultström
