The next biannual National Course in Hypertension: Tromsø February 2022

We are happy to inform that the next National Course in Hypertension will take place at UNN, Tromsø February 2nd and 3rd 2022. The course is mandatory for candidates specializing in Nephrology. Registration is still possible!

For information and registration: [Hypertension 2022 - Spesialisthelsetjenesten](#)

ESH Summer School 2020 -> 2022

European Society of Hypertension Summer School in 2020 has been postponed due to Covid-19 until September 17-22nd 2022 in Sremski Karlovci in Serbia. The two candidates selected from Norway are Karl Marius Brobak (UNN, Tromsø) and Lene V. Halvorsen (OUS, Oslo). Applications were reviewed and accepted in 2020.

Nordic-Baltic PhD course: Denmark April 20-22nd 2022

"Hypertension, diabetes and cardiovascular disease: bridging basic, epidemiological and clinical research focusing on arterial stiffness and cardiomyopathy."

Venue: Klarskovgaard in Korsør, Denmark. Abstract deadline: January 1st 2022.

60 PhD students will be selected based on quality of abstract (form, content and novelty). Expected participants from Norway: 4-5 PhD students.

Registration: <https://www.danishdiabetesacademy.dk/events/nordic-baltic-phd-course-hypertension-diabetes-and-cardiovascular-disease>

Other upcoming meetings and events

ESH 2022, Athens, Greece, 17.06.22-20.06.22, abstract deadline 22.12.21.

ISH 2022, Kyoto, Japan, 12.10.22-16.10.22

59th ERA/EDTA Congress, Paris/Virtual, France, 19.05.22-22.05.22:

<https://www.era-online.org/en/paris2022/>

ESC 2022, Barcelona, Spain, 22.08.22-26.08.22.

Membership fee:

The Society is grateful for your continued support. Please make sure to pay your membership fee for 2020 and 2021 so that the Society can uphold its activities.

NOK 100 per year to account number 1607.51.15478.

National Blood Pressure Study sponsored by NFR endorsed by the Society

The IDA Study is still recruiting patients with uncontrolled hypertension and ≥ 2 antihypertensive drugs in Oslo, Trondheim and Bergen.

For more information on how to refer your patients, see www.idastudien.no

Indremedisinen Issue 3 – 2021 on Hypertension

The latest issue of "Indremedisinen" has a large feature on hypertension with several articles by contributors from our Society. The issue can be downloaded here:
