Report from the National Course in Hypertension in Tromsø February 2-3rd

We are happy to report a very successful online National Course in Hypertension with 47 participants hosted by Prof. Marit Solbu and Ass. Prof. Jon Viljar Norvik and the Norwegian Society of Hypertension at UNN, Tromsø February 2nd and 3rd 2022. The course is mandatory for candidates specializing in Nephrology.

We are happy to inform that the next biannual National Course in Hypertension will be hosted by Rune Mo at St. Olavs hospital in Trondheim in February 2024. RegUt Midt will be responsible for registrations. More information will follow.

Report from the Nordic-Baltic PhD course in Denmark April 20-22nd 2022

The Nordic-Baltic PhD course was held in Korsør in Denmark in April 2022 with the theme “Hypertension, diabetes and cardiovascular disease: bridging basic, epidemiological and clinical research focusing on arterial stiffness and cardiomyopathy.” PhD candidate Lene Halvorsen (OUS, Oslo) attended the course, after acceptance of her abstract from the Oslo RDN Study.

Report from the ESH Summer School 2020 -> September 17-22nd 2022

European Society of Hypertension Summer School in 2020 was postponed due to Covid-19 until September 17-22nd 2022 and hosted in Sremski Karlovci in Serbia. Two candidates from Norway attended the program; Lene V. Halvorsen (OUS, Oslo) and Rune Eilertsen (HUS, Bergen).

Report from the ISH 2022 congress in Kyoto, Japan, October 12-16th

Hans-Peter Marti (HUS, Bergen) and Sverre Erik Kjeldsen (UiO/OUS, Oslo) attended the well-organized congress. Kjeldsen was honoured as an ISH Fellow.

Membership fee:

The Society is grateful for your continued support. Please make sure to pay your membership fee for 2021 and 2022 so that the Society can uphold its activities.

NOK 100 per year to account number 1607.51.15478.
